

INTRODUCTORY LIMITED TIME OFFER

Academic Website and Dynamic Content Management System for \$1,250

This offer is for our BASIC package, preformatted and created using Drupal

- The Basic Site is created by academics for academics and targeted to Academic Departments
- Basic Sites normally created and delivered in only 4 weeks time from date of purchase
- Once delivered, the site is yours with no additional or hidden fees
- You choose the color scheme, headers and photos you want for your site
- Images are automatically cropped and sized to be consistent throughout your site
- Basic Sites are hosted at your academic institution unless you engage us to host it
- Automatic daily back-up is included
- We keep your content in case emergency back-up is needed
- Daily updates are as easy as typing content into an on-line form
- No programming of HTML skills required
- Update your Events area once with a new event, and new updated information is posted throughout your website automatically
- All content is archived in your database as a history for your department
- History allows you to go back and see all of your content, including titles of all your past department seminars, past news, and events
- User roles can be pre-assigned
- Professors and Graduate Students have access to update their personal pages if you allow them
- Complete an Excel spreadsheet with your content, return to us, and we will upload this content to your new site during Basic Site creation
- Future content updates are easily performed by your team
- LDAP included at no extra charge – this allows you to keep your current academic password and use it on your new site
- Standards compliant
- 508 compliant
- Site analytics included at no extra charge
- \$1,250 price can be applied as a future credit on the price of an upgrade to our académie plus or académie advanced site, or you can purchase one of these sites for \$1250 off today if you are looking for a more robust site with additional features
- Refer your colleague's department to us and earn \$100 CASH for each purchase made, contact Sales for details
